

Price Review

Filtrec Asia Pacific are pleased to announce the review of our A152CW10 and A152G10 filter elements!

The A152CW10 is now listing at \$115.00 +gst, that's a huge reduction in your cost price.

This item is exceptionally well placed against the SF6721W and other water removal elements available in the market.

The A152G10 is now listing at only \$175.00 +gst. These elements go head to head on pricing with the 0180MA010BN and SF6731-MG elements available from other manufacturers.

We've invested in more stock so we can pass on the benefits to you!

Filtrec Delivers!

We are pleased to advise of these latest additions to our stocked range in Australia.

Caterpillar 1R1809 = WG840

Internormen 01.RS225.16VG.10.B.V = WG841
